For most part-time courses you can enrol directly on to the course. However, for some part-time courses, you will need to attend an interview or speak to the course tutor before you enrol. These courses are marked with a speech bubble on the listings. Course places cannot be held until the correct enrolment details and payment (or evidence for assistance with payment) have been received. Please read the Enrolment Terms & Conditions on the form before signing up to one of our courses.

Can I study for free?

You may qualify for financial support to cover the cost of a government funded qualification up to and including Level 2, if you:

- Receive an eligible means-tested benefit e.g. JSA or ESA (WRAG) or Universal Credit
- Have an annual salary of less than £15,726.50
- Are aged 16-18 on 31/08/18 and are not studying at another school/college
- Are aged 19-23 on 31/08/18 and do not already have a Level 1 or 2 qualification
- Have a household income under £30,000 and are in financial hardship

You may qualify for financial support to cover the cost of a Level 3 qualification if you are aged 19-23 on 31/08/18 and do not already have a Level 3 qualification.

Advanced Learner Loans provide financial support towards tuition costs for learners aged 19+ studying a Level 3 or higher qualification. The loan is similar to those available for Higher Education students; repayments do not start until you have completed the course and are earning at least £25,000. Pensions are not counted as income and repayments automatically stop if, for any reason, your salary drops below £25,000.

There is also financial support available to help with the costs of education. For example, childcare, transport, books, equipment, trips, etc.

OVER £6m recently invested in **state-of-the-art facilities**

Course fees & student discounts

What are the payment options?

We accept cash, cards and cheques (made payable to 'Kendal College'). If your course fees are more than £200 and the course runs for 15 weeks or more, you can pay in instalments. A percentage of the course fee will need to be paid at enrolment and you will need to complete a direct debit form at Student Services before you start the course.

For more information, including full terms & conditions and our Fees & Refund Policy, visit: www.kendal.ac.uk/studentmoney

What if my employer is paying for my course?

A representative from the company (who has the authority to agree to pay your fees) needs to send a confirmation email to enrolments@kendal.ac.uk. Once the email has been received, the full enrolment will be processed. The College will then issue an invoice to the company. Alternatively, your employer can pay via cash, card or cheque.
